

*Have you noticed the whispers of your heart - Am I lovely? Do you see me? Do I have a part to play? Every woman in her heart of hearts longs to be swept up into a romance, to play an irreplaceable role in a great adventure, and to be the Beauty of the story. These desires are far more than child's play. They are the secret to the feminine heart. Your heart matters. God placed these desires in your heart for a purpose.*

*The captivating program is a chance for women to explore these desires of our heart. It is an opportunity for input, fellowship, reflection, fun and an encounter with the King of Kings.*

"Above all else, guard your Heart,  
for it is the Wellspring of Life"
