THURSDAY NIGHT FOR YOUNG ADULTS

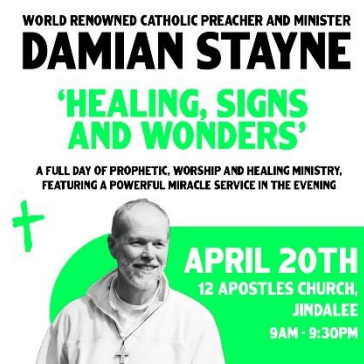

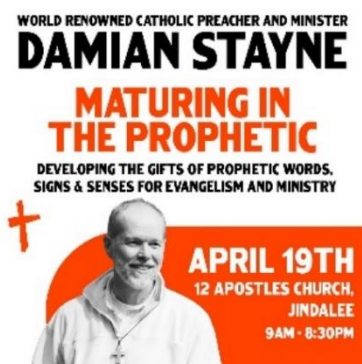

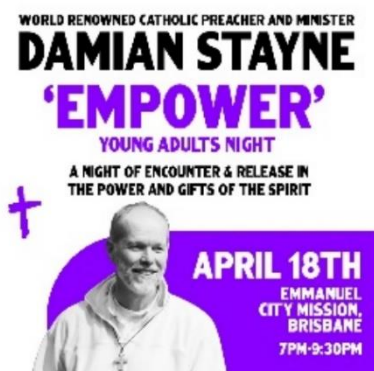

If you have registered to attend the Thursday night, we want to clarify this night is intended for **young adults**, ie those aged between 18-35. Youth leaders, ministry leaders, and caregivers are welcome to attend in support, but as these numbers are climbing rapidly we urge any older brothers and sisters to hold off for the Friday or Saturday events. Thank you for your understanding!

PS: While this event is FREE there will be a donation opportunity at the door. Any support will be appreciated.

GET READY!

Finally, we encourage you to *raise your expectations*. Start praying this week about what you want God to do in your life, or in the lives of your friends and family. **Who could you reach out to and invite? Is there someone who needs to experience Gods power in their life?** Our God is mighty and able to transform all who come to him in faith. Prepare for these days with expectancy and hope, open to whatever God wants to do. We know Jesus wants to meet you exactly where you are & lead you into the MORE that he has for you. See you there!

Any enquires on the day please contact Audrey on 0435 558 390.
